The Frances Bardsley Academy is a thriving, oversubscribed and highly successful, comprehensive school for girls aged 11 – 18 in market town of Romford. We were again judged as good by OFSTED in 2016 and are part of the LIFE Education Trust.

LIFE is a multi-academy trust, which believes that Learning Is For Everyone.

All those in our community are asked to consider our three principles: Learning from the past, Living in the present and Looking to the future. Each principle is important and is a part of every school in our Trust. Our schools retain their own values, traditions and distinctiveness but have also chosen to become part of something bigger and extremely exciting.

We believe in helping staff and students achieve their personal best and are keen to recruit the very best talent for our Trust. If you share our passion for challenging, improving and making our schools the best, we would love to hear from you.

We are looking to appoint an experienced, enthusiastic and energetic Design and Technology Technician to work within our existing team, to support students and staff where your passion and ideas will be welcomed enthusiastically. You will work as part of a team in a positive and busy environment, with inspiring and supportive colleagues who strive for excellence. If this describes you, we would love to hear from you.
